## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at [pld.iapmo.org](http://pld.iapmo.org)

Effective Date: March 2019

Void After: March 2024

Product: Drinking Water Treatment Units - Emerging Compounds/Incidental Contaminants

File No. WP-11644

Issued To: Instapure Brands, Inc  
Po Box 271850  
Fort Collins, CO 80527

Identification: A permanent plate or label shall be affixed on the product and shall contain the model number, name and address of manufacturer, functional description of system (e. g., chemical reduction or mechanical reduction, or both), maximum operating temperature in degrees C (degrees F), maximum working pressure in kPa (psig), and statement noting that the system conforms to NSF 401 for the specific performance claims verified and substantiated by test data. The product shall also bear the UPC certification mark.

Characteristics: The point-of-use and point-of-entry systems addressed by this Standard are designed to be used for the reduction of specific substances that may be present in drinking water (public or private) considered to be microbiologically safe and of known quality.

Certification demonstrates that all materials safety and structural integrity (as applicable) requirements have been met.

To be used in accordance with the manufacturer's instructions.

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
