

IAPMO RESEARCH AND TESTING, INC.

5001 East Philadelphia Street, Ontario, California 91761-2816 – USA • 909-472-4100 • 909-472-4244 • www.iapmort.org

CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

This certificate is not evidence of current listing. To verify listing status, visit the IAPMO R&T Product Listing Directory at pld.iapmo.org

Effective Date: May 2019

Void After: May 2024

Product: Drinking Water Treatment Systems

File No. WP-11972

Issued To: Instapure Brands, Inc
Po Box 271850
Fort Collins, CO 80527

Identification: The product shall be permanently marked with the manufacturer's name or trademark. The product shall also bear the model designation, claims verified and substantiated by test data and the cUPC certification mark.

Drinking water treatment systems or components shall be marked with
(a) the manufacturer's recognized name, trademark, or other mark; or
(b) in the case of private labelling, the name, trademark, or other mark of the customer for whom the fitting was manufactured. Markings shall be made by a permanent mark or a permanent label and shall be visible after installation.

When it is impractical to affix the information specified in Items (a) and (b) directly to the product, the information shall be included in the literature accompanying the product.

Characteristics: The point-of-use and point-of-entry systems addressed by this Standard are designed to be used for the reduction of specific substances that may be present in drinking water (public or private) which are considered health hazards.

Chairman, Product Certification Committee

CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing. This document shall be reproduced in its entirety.
